

## SCHOOL PROFILE

# Van Hise Elementary

**Address:** 4747 Waukesha St | **Phone:** 608-204-4800 | **E-mail:** vanhise@madison.k12.wi.us

Van Hise Elementary is an inclusive and collaborative school community in which all people belong and learn at high levels. We are proud of how our families and staff work together for our children's learning. Teachers and support staff are organized into highly

effective teams that have shared ownership for each and every one of our students. Our

culture is friendly and promotes positive relationships among both children and adults. Children regularly reach their growth targets at Van Hise in both math and reading across all grades. Van Hise students and their families are engaged, happy and surrounded by excellent, caring educators.

School Principal: Peg Keeler

## Equity Vision

Every student, family and staff member works together to create conditions that maximize participation, inclusion and achievement of all. As a result, all students, staff and families experience a sense of belonging, are engaged in rigorous learning, and are actively participating in the life of the school.

## Strengths

Our school strengths are connected to the inclusive community in which children learn at high levels and feel a strong sense of belonging. Van Hise Elementary has strong systems that support restoration when a child is struggling behaviorally or academically. At every level of our organization, highly effective teams work for our children and families.

## Progress

During the 2016-17 school year, we met and/or exceeded our School Improvement Goals in the areas of math and reading. We also launched our academic success nights held twice this year to partner with families in supporting student success.

## Area for Growth

In the coming year, Van Hise will continue to deepen our work in building collaborative relationships with families. In 2017-18, we will also implement Bridges math curriculum as part of the district's cohort two of district-wide implementation. We will continue to focus on our advanced learners' needs and explore different avenues for finding the strengths & giftedness in all children. We want to be leaders in the area of talent development and understand giftedness beyond academic proficiency.

## Vision Connection

Our school supports MMSD's vision that all students acquire the skills and abilities needed to be successful, including a mastery of content areas, growth mindset, self-knowledge, creativity, wellness, interpersonal skills, confidence, cultural competence, and community connection. Through these skills and abilities, our students will graduate college, career, and community ready.
